Auburn Hills, Michigan | Celebrating our 52nd Year

## FROM THE SOCIAL DIRECTOR'S DESK

**Betty is 101!**

Betty Jeskey became a Centenarian on March

23, 2016. A year has since passed; she recently celebrated turning 101. Several members from our lodge attended her birthday party, which was hosted by her daughter Romaine. Congratulations to a spunky lady.

## Labels & Stamps

Please bring your Campbell's product labels, Box Tops for Education, and cancelled postage stamps to any meeting or send them to

the Editor (the return address). Rita collects them for Haviland Elementary School in Waterford so that they can apply them towards acquiring additional supplies for the school. She turns them in twice-a-year.

## Recipe Corner

*I brought these cookies to the March meeting where it received rave reviews and requests for the recipe.*

*So here it is:*

### ANDES MINT COOKIES

½ c. butter – softened  
 ½ c. brown sugar  
 ¼ c. Xylitol (or sugar)  
 1 tsp. baking soda  
 1 tsp. baking powder  
 2 tsp. vanilla extract  
 2 eggs  
 1 pkg. Andes Crème de Menthe Baking Chips  
 2 2/3 c. all-purpose flour

Beat butter, sugars, baking soda, baking powder, vanilla and eggs until mixed. Stir in Andes Baking Chips and then the flour. Chill about one hour in refrigerator. Then roll spoonfuls of dough into approximately 1-inch size balls (*I use a cookie scoop to uniformly measure and form the dough balls in one step.*) Place on a non-stick cookie sheet and slightly flatten the balls. Place in a preheated 350 degree oven on the rack one level above the middle and bake for 9-11 minutes. Cool on pans for two minutes before removing.

Makes 4 dozen cookies

*The hardest part about making these cookies is finding the vital ingredient – Andes Crème de Menthe Baking Chips (sold in a 10 oz. bag which resembles a chocolate chips bag—see picture above). However, as a substitute, two boxes of Andes Mint Thins could be used – unwrap all the candies and chop them into little bits (about ¼” to ½” square). The above recipe was adapted from the cookie recipe found on the back of the Andes Crème de Menthe Baking Chips package. – Kathie Injerd*

## MAY BIRTHDAYS

7 Donald Wang

13 Jan Persson

15 James Lafnear

18 Nancy Redilla

25 Lynn Rose

Every year for the 17th of May parade the Swedes line up on one side of the road for the parade, the Norwegians on the other side. Those crazy Swedes would throw firecrackers at the Norwegians. Of course the Norwegians would get mad and light the firecrackers and throw them back.

Ole walks into work, and both of his ears are all bandaged up. The boss says, "What happened to your ears?"

Ole says, "Yesterday I vas ironing a shirt ven da phone rang and I accidentally answered da iron."

The boss says, "Well, that explains one ear, but what happened to your other ear?"

Ole says, "I tried ta call da doctor."
