

Friendly Fifth Friday News June 24, 2016

In an attempt to help our lodge leaders become more familiar with resources, changes, deadlines and other information, I will compile a weekly "Friendly Fifth Friday News" email to our leadership. Some of the information you might already have, but hopefully it will be a good reminder for all of us (me included) of all the great resources that Sons of Norway has to offer. **Please feel free to cut and paste any of this information for your lodge's use!**

Darlene Arneson, District 5 Secretary

Look what's new! The District website!

A huge thank you to Christina and Richard Fairchild and Duane Kittleson for all of their hard work and effort in the revision of the District 5 website. They worked with Pat Sternitzky and staff at Wisconsin Ag Connections in Marshfield in redesigning the website. Take some time to review the website, the new feature's, the content and get comfortable with it. There is work to do on it yet so if you hit areas that aren't complete, be patient and they soon will be. If you have suggestions for the website, see changes that should be made, or have other suggestions, please let Christina know.
