Drive-up/Carry-Out option - We will only schedule drive-up orders that need to be picked up curbside between 5:00 - 5:45 PM. We will block the area in front of the lodge during that time for pick up. **You must sign up for this time period- all other servings will be dine-in.** You will approach the lodge from the south and you'll see the payment station and pick up stations outside. You will stay in your vehicle.

Dine-in option - We will offer inside seating beginning at 6:00 PM. You will walk down the driveway between the lodge and Livsreise and enter our side door. Tickets will be purchased downstairs and then you will eat upstairs. **Mandt Lodge is handicapped accessible** – enter the downstairs by coming down the driveway and right into the lower dining room to buy your tickets. You may use the lift to go up to the main hall and then to the street entrance to exit. **We are planning on feeding a total 225 people so if we don't fill all the spots by 6:30 PM, walk-ins can come at that time for inside dining**.
