Project: Constellation's Scandinavian music contribution picks up where most people's knowledge of the Swedish/Norwegian languages and culture seems to have left off, 1890-today. Enjoy Swedish and Norwegian Children's songs, Eurovision winners, 80s rock, contemporary, holiday songs, and more. Constellation is a violin/guitar husband and wife duo out of Grand Forks, North Dakota. Half the band is authentically Scandinavian since Satiago grew up in Sweden.

Refreshments will be served! Everyone is welcome and no reservations are needed!
