

Sons of Norway - Mandt Lodge News

May- June 2021

Mandt Lodge 5-314 in Stoughton, Wisconsin

Fra Presidenten

It sure feels good to have activities happening inside the walls of our lodge! After 15 months of outside activities, porch drops, community service projects like the food pantry donations and blood drives, it feels so good to get the kitchen started up, lefse griddles going, and the freezers filling up! We had a very successful April fish boil and look forward to a wonderful Syttende Mai too!

We are very aware of all the COVID procedures, county health rules and guidelines, and keeping our lodge environment safe for our members, workers and guests. Your help and cooperation is greatly appreciated and needed as we reopen. Thank you for understanding and following "the rules".

I look forward to seeing you and am so excited about our upcoming events!

Everyone has to sign the new COVID 19 Employee Agreement form and have the other form on file as well! Please review the COVID reopening procedures that have been emailed out and watch the training video. If you are not feeling good or not comfortable coming, please don't.

Bus Tours are coming!

We have had numerous inquiries from bus tour and other groups to have meals at the lodge. At this time, we have confirmed dates of June 9, July 8, and August 11. We have had inquiries from others as well. So we will be setting a meatball making date and have sign-ups for these meals on the clipboard. We also need demonstrators at the June and July one. The June group requested a rosemaling demonstration. Please contact Darlene if you are interested in helping.

Guidelines for Bake Sales

Bake sales can provide good fund raising opportunities for non-profit organizations (schools, sports teams, etc.). However, as in any situation where food is being prepared and offered for sale to the public, caution must be exercised to provide safe food. When consumers buy food, they have the right to expect that it will be safe and wholesome.

While no health department permit is required for "bake sales", the sponsoring organizations are responsible for the safety of the food products they offer for sale. Although the traditional bake sale foods such as bread, cakes, pies, cookies and candies rarely cause illness, it is important to remember that under the right circumstances any food can cause foodborne illness. The following guidelines will improve your chances for a successful bake sale:

Maintain List

Name, address, and phone number of each person who prepared an item for the event along with what they prepared. A sign indicating that these items are "Home Baked" should be posted.

Packaging

All food must be individually wrapped in plastic, foil, or waxed paper.

Acceptable bake sale items: (shelf-stable, non-potentially hazardous foods only)

- Breads – quick breads and yeast
- Cakes (except cheesecake or cream filled)
- Cookies
- Bars
- Muffins
- Candies
- Dried fruits, herbs and spices
- Cupcakes (except cream-filled)
- Non-potentially hazardous fruit-based pies not requiring refrigeration

Not acceptable for bake sales:

- Cheesecake
- Pastries
- Cream, meringue, custard, or pumpkin pies
- Cream-filled cakes, cupcakes, muffins, or doughnuts
- Frosting and fillings made with cream cheese
- Home-canned foods

Note- these
cannot be
made at home!

Please note: Potentially hazardous foods (foods that require hot or cold holding) are not allowed at a bake sale. This requires a [Temporary Restaurant Permit](#) and must be submitted at least 7 days in advance, prior to your event.

Thank you

- To everyone involved in our April fish boil. We served over 204 meals in a pre-order, carry out style! Thank you to Thrivent Financial for the Action Grant to help off-set expenses.
- To everyone who helped with the 3rd-4th grade cultural event this year as we went virtual. We have 19 videos posted at <https://www.youtube.com/playlist?list=PLevR2Moina2rR5hhsjWUEHZNDaXDLVwjJ> on some of the stations we normally have volunteers staffing. Lori Teigen coordinated a fun 3rd grade shoebox float contest and we'll be judging those at the May 5 meeting. Vicky Goplen coordinated the julecurv craft bags. Thank you to Thrivent Financial for the Action Grant to help off-set expenses.
- To Vicky Goplen for her creative bags that we dropped on member's porches for Valentine's Day, St. Patrick's Day, Easter and May Day. We can't get to everyone but sure tried to bring some smiles to those we could deliver to.
- To all those who have been donating in-kind items, monetary donations, and for their time cleaning, organizing and coordinating items as are re-opening. It's truly been a team effort.
- To all members for their membership, support and good wishes as we move forward! It's truly a team effort at Mandt Lodge and we're glad you are part of the team- no matter your role!
