Fra Presidenten ~ A letter from our President, Nancy Andersen

First of all I apologize for not ensuring a newsletter is getting sent out. Jean Tygum has graciously offered to try and get us back on track. We have had several interesting meetings lately, I'm just sorry that our attendance has been so low. September's meeting we held a Murder Mystery dinner. I think everyone that participated had fun, cast and audience alike.

For the October meeting we had cultural skills. I want to thank Jerry Rud for instructing on chip carving and providing a great display of various chip carved items. *Tusen takk* to Alma Lathrop for providing beginning instruction on Rosemaling. People were able to try their hand at painting basic scrolls.

The Rosemaling group is now meeting every Monday at the Sullivan Munce Cultural Center, 225 W. Hawthorne Street, Zionsville IN 46077 from 10 to noon. After the time change the start time will change to 9:30am. Please contact Alma Lathrop if you have any questions.

Our next meeting will be held Saturday, November 9 at noon at King of Glory Lutheran Church. Our topic will be "Immigrants Trunks." We are asking members to bring items that they, their parents or grandparents brought from Norway when they immigrated. Please plan on preparing a short description and history of the items to share with the group. Let us know what makes this item so special to you and your family. It's always interesting to see what people bring to share. We will be having a pitch-in dinner.

It is time to elect officers for next year and we are accepting nominations! So far the ballot looks like this. Please contact myself or Stan Pederson if you have a nomination for any of the offices or are interested in an office yourself.

We will feature the Mork family, who recently moved to Norway, for our picture display of sports and food. Rob has been posting the most interesting pictures of their time in Norway. I'm quite envious. We will also be setting up a modified *Kubb* game for participants to play. The hours will be:
