President's Message

President Ken as "King Anderson" at the Indian Creek
Cemetery Walk on August 26th, 2023

Hilsen Polar Star Lodge!

You guys never cease to amaze me!" Scandinavian Days 2023 was the best fund raiser we have had since I have been President! It was a beautiful day and we are one "Super Lodge". Your willingness to work hard as a unit is wonderful! As I looked around the activity, I noticed that we are not just a lodge, but we are all friends as well. The ladies of the lodge need to take a special bow because it is well known that our baked goods are second to none. I feel proud to lead such an outstanding lodge. Rest up and let's see if Høstfest can also be our best yet!

Your President
Ken Johnson

Sons of Norway Book Club

September Book Selections

Norwegian American Women was the book that my sister and I used to create our slide show, “Norwegian American Women in Illinois”. Even though it may read like a text book, the information that is presented is well organized and an excellent look into the lives of the women who created successful communities in America with their bravery, determination and skills. I am so glad that this book was chosen by the Sons of Norway Book Club. I can’t wait to hear what others think of the book that I loved so much!

Anders Andersen Askeland known as “King” Anderson was born on May 14, 1801 in Tysvær, Norway. He was a friend of Cleng Peerson and the brother-in-law of Knud and Jacob Slogvik - passengers on the “The Restauration”. “King” and his wife, Malene, and their young son immigrated to the United States in 1836 and settled in Adams Township along Indian Creek in 1837. His granddaughter, Lizzie Anderson Benson, was my great grandmother.

The Norwegian

SLOOPER SOCIETY OF AMERICA

The Norwegian Mayflower People
Organized at the Ottawa Centennial, October 9, 1925

Announcing the 98th Annual Meeting of the Slooper Society of America!

**The 98th annual meeting of the Slooper Society of America is scheduled
for 12:00pm Sunday, October 8th, 2023.**

You are cordially invited to the 98th annual meeting of the Slooper Society of America.

Our feature presentation this year will be, "The Sloopers of 1825" by Dale Goodman. Dale is a descendant of Tormond Madland and Siri Iversdatter Seldal who sailed aboard Restauration in 1825. Dale and his wife Susan live in beautiful Decorah, Iowa. With the 200-year anniversary of the voyage of the sloop Restauration fast approaching, Dale will revisit the story of the voyage and help us to remember the historical significance of those first Norwegian Immigrants.

Schedule of events for October 8th:

- 12:00 pm: Doors open for sign-in
- 12:30 pm: Slooper business meeting
- 1:00 pm: A Taste of Norway will be served
- 2:00 pm: "The Sloopers of 1825" by Dale Goodman
- Afterwards visit of Norsk Museum

The meeting is at the Norway Community Building in Norway IL [GPS coordinates: 3667 E. 2603rd Road, Sheridan IL 60551]. This year we are breaking with tradition a bit by having a "Taste of Norway" luncheon at NOON, where the Slooper Society is partnering with the Norsk Museum, Cleng Peerson Lodge, Polar Star Lodge and the Norway Store. All other traditions remain such as education and preservation of our heritage. **And, we want you to know that this meeting is not limited to just Slooper descendants but anyone with an interest in Norwegian-American history and culture.**

The suggested donation for the meal is \$15 per person and \$8 for children under 9. **Seating is limited and it is imperative that you RSVP to ensure a spot (see contact info below), plus we need to know how many to plan for.** Some of Norwegian treats we have in store for you are cod, ham, kumla, pickled and creamed herring, meatballs, cabbage, Jarlsburg cheese, specialty breads, breads with lingonberry sauce, kringla, lefse, Norwegian desserts and guma, to name just a few.

The Sloopers descendants have grown substantially since the original 53 that came to America in 1825 — today we number 20,000!! Sloopers are found in all 50 states plus various countries. Many of you may have never attended the annual meeting. I would encourage you to take pride in your unique Sloopers heritage and be a part of its preservation. If the line stops with you, your children and grandchildren may never know the rich history that is theirs.

In 2025 we will be celebrating the bicentennial! Norway, Illinois (formerly called the Fox River Settlement) is the oldest permanent Norwegian settlement in America. Here is where the seed was originally planted following the great migration from Norway to America, where 25% of Norway left. All this history can be viewed at the Norsk Museum through artifacts and exhibits and on our websites.

After a short business meeting and fabulous meal, a program called “The Sloopers Story” will be presented. At the conclusion, everyone is invited to cross the Cleng Peerson Memorial Highway to visit the Norway Store and Norsk Museum (the only Norwegian museum in Illinois, serving the area for 49 years).

- First time visitors will be interested to know that if you stay the weekend, LaSalle/Kendall/Grundy Counties have much to offer. Area attractions include:
 - 6 state parks, including the second most popular park in the country, Starved Rock State Park. Just ask the 2 million who visit annually!
 - Local historic cities and towns in the area: Ottawa, Morris, Utica, plus another little town just 75 miles to the northeast—Chicago!
- Lodging aplenty:
 - Fox River Resort in Norway Il - 1 mile
 - Ottawa - 6 miles
 - Morris - 20 miles
 - Yorkville - 18 miles

My hope is that this letter has piqued your interest to the point that you will contact me **to reserve your place at our table no later than September 30th**, for a day filled with Norwegian culture. I can be reached at (815) 343-5070 text for reservations and any questions you might have. Also, for information about the Norsk Museum check out Facebook/Norsk Museum or www.norskmuseum.org and [Sloopers Society of America](#). For those who cannot make the trip, follow us on Facebook for live streaming updates of the event.
