Enjoy the evening with "Bert and Lindy" by Valhall Lodge members Carol and Lindy Griesbach

Bert and Lindy are Carol (Bert) Griesbach and Linden (Lindy) Griesbach. Bert got her nickname in college. Before she was married, she was Carol Bertelrud, the daughter of Norwegian immigrants. She grew up on a southwest Wisconsin dairy farm where Norwegian was her first language. Bert and Lindy met at the University of Wisconsin - Madison, and the two started making music together shortly after. Marriage and a family followed and after more than 40 years, Bert and Lindy still share a love of gospel, bluegrass, country, and folk songs. Inspired

by Bert's heritage, they include some Norwegian songs in their performances.

Valhall Nominating Committee is on the Hunt for You!

Like the U.S. Marines, Valhall Secretary, Christina Fairchild is looking for a few good men and women. Christina is heading up the important search for next year's slate of Valhall officers. She is forming a nomination committee to come up with a tentative slate of nominees to be announced at the lodge's October meeting. More nominees will be sought at that time. An updated slate will be presented at the November meeting, and elections will be held on that date. The newly elected officers for 2024 will be installed at the lodge meeting in January 2024. All offices are up for reelection.

Our current secretary: Christina Fairchild volunteered to serve on our nominating committee and needs at least 2 more to assist her. The nominating Committee will begin discussing officer positions in September. If you can help out on the committee, or if you would like to run for a Valhall office, please contact Christina at sofnvalhall5168@gmail.com or 779-208-2225 (leave a message please)

A sport unto itself, Nordic walking provides a better workout compared to regular walking. Here are several reasons to give Nordic walking a whirl.

Nordic walking: \cdot improves your overall fitness level \cdot works your upper body and core muscles as well as your lower body \cdot provides more stability \cdot is low impact on joints \cdot helps recover from injury by taking pressure off legs and feet \cdot was invented in Finland to maintain skiers' fitness year-round \cdot can be done on any terrain

Getting started

Buy or borrow a pair of Nordic walking poles (priced new from \$50 to \$200) (note: Nordic walking poles are different from hiking or skiing poles) Take a class or look up a YouTube video to learn proper technique. *Hit the trails or the park!* · Track your time or mileage for the Sons of Norway Sports Medal Program

Bring your completed sports card times and mileage to a lodge meeting or Send them to Valhall's acting sports director Christina Fairchild.

Sons of Norway District 5 2023 recruitment campaign.

Starting August 1, 2023, all lodge members are asked to recruit new members to their local lodge. For every new member (not Heritage Member) recruited, the lodge will receive \$10 for an individual or \$20 for a family membership. This does not include adding adults to an existing Adult Family membership. The money awarded will be sent to the local lodge of the recruiting member to be used as the lodge would like. This campaign is an opportunity for all members to get involved and support their local lodge in meeting their membership goals. As well, it helps continue to grow the Sons of Norway organization. The contest will begin August 1, 2023 and go until October 31, 2023.

Please turn in all paper membership applications to Headquarters by October 31, 2023. This will ensure that they are processed by the deadline. New members who are signed up online via http://www.sofn.com should also be entered by October 31, 2023.

If you sign up a new member online, please email District VP, Wendy Winkelman, advising of that new membership.Contact wendyathadeland@yahoo.com with any questions.

Famous Violin Awarded to Young Norwegian Talent

22-year-old Norwegian-Swedish violinist Johan Dalene has accumulated a list of impressive awards and critical success. Despite his youth, he's performed solos with orchestras in London, Berlin, Prague, Paris, Leipzig and Vienna, as well as Oslo and his home city of Stockholm. This spring, Dalene even played Carnegie Hall during his US debut tour. Born to musician parents, Dalene got an early start with music and attributes his tenacity to his first violin teacher, who made his music lessons a joy. Beginning with lessons at age four, he was already performing professionally at seven. The young talent has been recognized for his ability to reach audiences with his singular artistry. He's recently been the recipient of the Norwegian Soloist Prize, a distinguished award of 100,000 kroner (about US\$ 10,000) for young musicians. The prize comes with the bonus of playing with the Bergen Symphony Orchestra and connects bright young musicians with other performance opportunities. Now the rising star has received a new honor- he was chosen as the recipient of a rare Stradivarius, a 1725 'Duke of Cambridge' violin. On loan from a Norwegian foundation, the violin previously was entrusted to performer and Oslo Royal Conservatory professor Camilla Wicks, who was knighted for her musical contributions to Norway. "So happy and grateful to get to play this incredible instrument," Dalene posted on social media. Ref: Sons of Norway July-Aug.2023 Newsletter
