

Velkommen til Over 40 Years of the Magic of Masse Moro!

Following a year of the pandemic, uncertainties, CDC restrictions, and much more, we are extremely excited and looking forward to finally getting together at our camp – Masse Moro! Virtual is okay, but there is nothing like being together and sharing the excitement and the energy of our staff and young campers.

The magic of Masse Moro will begin on Sunday, July 18 and end with a special program the morning of Saturday, July 31 at Beaver Creek Reserve in Fall Creek, Wisconsin.

Masse Moro provides an excellent opportunity through our youth to fulfill the mission of Sons of Norway by preserving and promoting our Norwegian heritage. To provide a comprehensive Norwegian Heritage experience for each camper, it is vital to have the necessary staff to carry out these programs, as well as providing kitchen staff to assure safe and nutritious meals for our campers. Due to the CDC restrictions that are currently in effect at Masse Moro, we had to accept fewer campers and with fewer campers comes less revenue. This decrease in revenue amounts to approximately \$10,000 less than an average year.

Our program staff and kitchen staff have given me a “wish list” of items needed for camp. Also, with the increase in food prices, we could use your help. If your Lodge is considering giving a gift to a deserving program, I encourage you to consider Masse Moro. If this is the wish of your members, please write a check to **Nordic Legacy Foundation** and indicate that it is for **Masse Moro**.

Masse Moro has been extremely fortunate for the support of District 5 and our Sons of Norway Lodges. We appreciate their support along with the support of our parents, grandparents and other sponsors of our young people. Tusen Takk from all of us at Masse Moro!!

I invite all of you to attend our “end of camp” program at 9:00 on Saturday, July 31, 2021. If you would like to visit during camp, please contact me and I will be happy to give you a tour. As a result of the talents, enthusiasm, and commitment of our Masse Moro staff we will again touch the lives of our young people by providing them a taste of their Norwegian heritage. We look forward to “*Lots of Fun*” this summer at Masse Moro.

Hilsen,

Sandra Olson
