Memorial to Doug “Dag” Rossman

Douglas A. “Dag” Rossman | 1936 - 2015 |

Dag was one of the co-founders of Masse Moro. He was a member of Sons of Norway, and was a counselor and story-teller at Masse Moro for many years. Dag first attended Masse Moro in 1979 and felt that it marked a major turning point in his life. Over a two week period of evening storytelling, he created the “World of Norse Mythology”, peopled it, and carried it through to Ragnarok. Dag returned almost every year sharing Old Norsk Tales of Thor and Odin. Dag is remembered at Masse Moro each year for his vision, dedication and creativity. Tusen Takk Dag.
