## 2022 Lodge Banner Contest at D5 Convention

The District Five Board of directors would like to encourage each lodge to create a lodge banner to display for publicity purposes during their lodge meetings, at their events, or to be displayed at District 5 Conventions. There are some specifications listed below to maintain a standard for the Lodge Banners throughout the 5<sup>th</sup> District.

We encourage each lodge to participate in this contest and display their Banners at the 2022 Convention, where the delegates will vote on them. If your lodge already has a banner that meets these specifications, please bring it to the convention. Three prizes will be awarded.

- (1) \$100.00 'People's Choice' gift card
- (2) \$50.00 'Honorable Mention' gift cards

### Banner Specifications

1. Suggested finished size: 3' x 6'
2. Hang the banner vertically on a 1" dowel with two eye screws (one on each end).
3. Bring a base to hang the banner
4. Material: Use any material except paper.
5. The lodge name should appear somewhere on the banner.
6. The banner theme should relate to the individual lodge.
7. There is no limitation on the colors used.
8. Banners will belong to their respective lodges and will be displayed throughout the District Convention hotel.

See Resources:

[Tips For Creating Hanging Benner](#)

[How to Make Telescoping Banner Stand](#)

### How to make a telescoping banner stand/flag stand

A telescoping pole has two parts, one that fits inside the other. This makes the height adjustable and makes storage of the pole easier. A telescoping pole can be used for many things, including supporting tents, flying flags and mounting bird houses. A simple telescoping pole can be made from PVC pipe, some fittings, a drill and a ringed pin. The project takes only an hour or so and the pole will last a long time.

Ensure that the smaller pipe fits inside the larger pipe. It should slide and not be tight, but it should not wobble. If it does not slide smoothly inside the larger pipe, use an even smaller-diameter pipe.

Mark a small X on the larger pipe about four inches from the top end.

Drill a hole through the middle of the pipe, making another hole on the opposite side. Be careful to make the holes even. They should be equal distances from the top and bisect the pole through the middle. Make the hole slightly larger than the ringed pin.

Mark a small X on the smaller pipe six inches from the bottom end. Make another X six inches above the first and another six inches above that.

Slide the smaller pole inside the larger one. Line up the first X on the smaller pipe with the hole you drilled in the larger one. Holding it firmly, drill through the smaller pipe while it is inside the larger one. The drilled holes should line up and allow you to insert the ringed pin all the way through both pipes.

Repeat Step 5 for each of the X marks on the smaller pipe. This will make the telescoping pole adjustable.

Insert four 2-foot PVC pipes into a five-way cross connector so that they form a foot for the pole. Slide an end cap on each pipe.

Insert the larger pipe you drilled into the fifth hole of the cross connector. Slide the smaller pipe inside and secure the height with the ringed pin. The telescoping pole is now finished.

## *Velkommen til the Magic of Masse Moro - 2022!*

Following a year of the pandemic, uncertainties, health restrictions, and much more, our young campers had an extremely awesome time at Masse Moro this past summer. We look forward to our forty-third year of sharing the enthusiasm and vitality of Masse Moro with our young campers.

The magic of Masse Moro will begin on **Sunday, July 17, 2022** and end with a special program the morning of **Saturday, July 30, 2022** at Beaver Creek Reserve in Fall Creek, Wisconsin.

Masse Moro provides an excellent opportunity for our youth ages 9 to 15 years of age. Our camp strives to fulfill the mission of Sons of Norway by preserving and promoting our Norwegian heritage. Campers do not have to be Sons of Norway members to attend camp.

Sons of Norway District 5 has strived over the years to keep our tuition lower than any other comparable camp. Unfortunately, as you are aware, our expenses have increased in the past few years. The rental of our camp facility, the increase in food expenses and paying our staff a more realistic salary have contributed to our decision to increase the tuition for 2022. The tuition will increase to \$1000 for our two week amazing Norwegian Heritage experience at Masse Moro.

The good news is that District 5 has approved an increase in matching grant funds for our campers. Campers who are members, or sponsored by a parent, grandparent or aunt or uncle who are members of a District 5 Lodge may be eligible for a matching grant up to \$250 toward their Masse Moro tuition. District 5 Lodges who are able to support the camper with a grant of \$250 will be matched by District 5 so the actual cost for these campers will be \$500. Campers are encouraged to reach out to their sponsoring Lodges to discuss their eligibility and offer assistance for fund raising opportunities.

With the increase in tuition costs for our campers; we would appreciate the financial support of our Sons of Norway Lodges and Members. If your Lodge is considering giving a gift to a deserving program, I encourage you to consider Masse Moro. If this is the wish of your members, please write a check to **Nordic Legacy Foundation** and indicate that it is to support **Masse Moro**.

Masse Moro has been extremely fortunate to receive the wonderful support of District 5 and our Sons of Norway Lodges. We appreciate their support and that of our parents, grandparents and other sponsors of our young people.

Sons of Norway Lodges who would like to learn more about the “Day in the life of a Masse Moro Camper” are encouraged to contact me to make a presentation to your Lodge.

As a result of the talents, enthusiasm, and commitment of our Masse Moro staff we will again touch the lives of our young people by providing them a taste of their Norwegian heritage. We look forward to “*Lots of Fun*” this summer at Masse Moro. Tusen Takk from all of us at Masse Moro!!

Hilsen,

*Sandra Olson*

**FFFN Basics**

In an attempt to help our lodge leaders become more familiar with resources, changes, deadlines and other information, I will compile a weekly "Friendly Fifth Friday News" email to our leadership. Some of the information you might already have, but hopefully it will be a good reminder for all of us (me included) of all the great resources that Sons of Norway has to offer. **Please feel free to cut and paste any of this information for your lodge's use!**

**Send all web posting info and calendar dates/events directly to our webmaster at [inputd5@sonsofnorway5.com](mailto:inputd5@sonsofnorway5.com)**

With our new arrangement, I actually send the FFFN pdf to our webmaster on Thursday morning before I go to work. So if you have anything you'd like me to consider putting in, please send it by 4 am on Thursday morning. Please do not send pdf's as I have a hard time cutting and pasting them. The Word Document works best for me. Don't forget that lodge events should be submitted to [inputd5@sonsofnorway5.com](mailto:inputd5@sonsofnorway5.com) as I have a hard time keeping track of all lodge activities. I'll put some in but that is more the role of the website event calendar.

If you would like to get the MS Word document, just shoot me an email and I'll add you to the list. I send it out right after I send the email to the large group.
