

Friendly Fifth Friday News October 12, 2018

In an attempt to help our lodge leaders become more familiar with resources, changes, deadlines and other information, I will compile a weekly "Friendly Fifth Friday News" email to our leadership. Some of the information you might already have, but hopefully it will be a good reminder for all of us (me included) of all the great resources that Sons of Norway has to offer. **Please feel free to cut and paste any of this information for your lodge's use!**

Send all web posting info to inputd5@sonsofnorway5.com

Lutefisk dinner season ahead and the calls are coming!

If your lodge has a lutefisk dinner or there are ones in your area, please send me the information so we can share it.

I need the: name, date, time, street address, price, phone number of who to call, and if they need reservations.

I do NOT want all the other event flyers for other types of events and dinners. Please post that on the District calendar. I just have time to do the lutefisk dinners! We'll post them on our Facebook page, District calendar, and in this document! **Send me the info in a paragraph form (see below) and all flyers to inputd5@sonsofnorway5.com**

Tubfrim History and information.

Postmaster Ditlef Frantzen in Nesbyen established TUBFRIM in 1928. The aim was to collect and sell used stamps and use the proceeds to aid the eradication of tuberculosis among Norwegian children. The first profit was made in 1929 and amounted to NOK 1.500,-. Profits varied in the following years from NOK 8.000,- in 1940 to NOK 25.000,- in 1947. TUBFRIM has made good progress since from then and profits in 1970 were NOK 150.000,- growing to NOK 650.000,- in 2009.

TUBFRIM is owned by the Norwegian Health Association (Nasjonalforeningen for folkehelsen). Today the profits are used to help handicapped children and youth in Norway, and to finance the efforts to eradicate tuberculosis.

Used postage stamps and telephone cards are not to be thrown in the waste basket, but should be sent to: **Give to Sons of Norway members/lodges- do not mail them to Norway!**

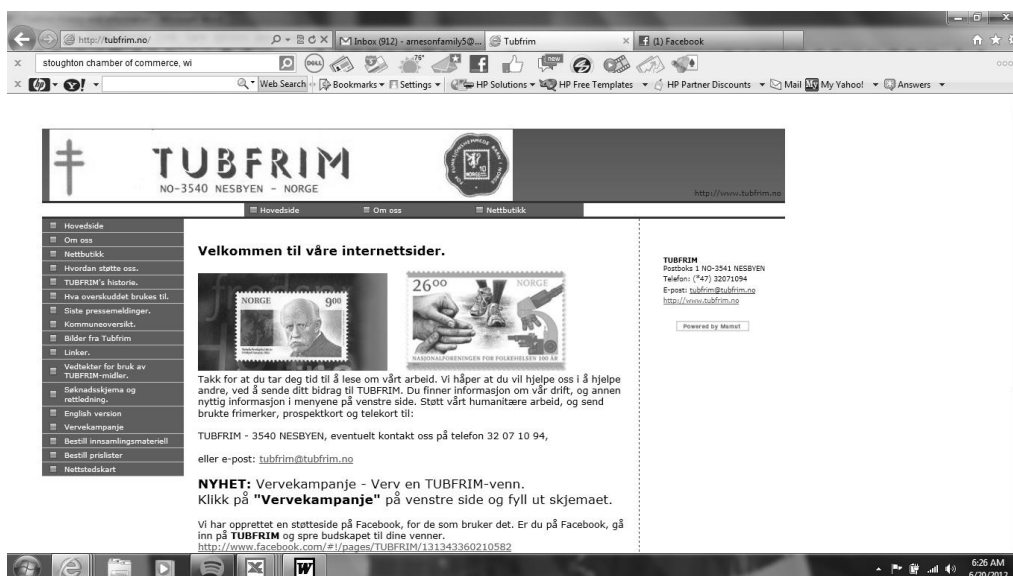

How to help us. Please, never throw away canceled stamps and phone cards. Stamps and phone cards from any country in the world can be used.

Just cut or tear the stamps off the envelopes, leaving a slight margin (approx. 1/4 to 1/2 inch) to keep the perforation intact. Damaged stamps (damaged perforation, edges etc.) are worthless and are to be thrown away. (Damaged phonecards are also to be thrown away.)

We are also happy to receive stamp collections, old envelopes, covers and postcards. If envelopes, postcards etc. are more than 50 years old, then please do not cut off the stamp, but send us the whole envelope/postcard!
