

2026 District 5 Delegate District Lodge Meeting and Convention Reminders for Thursday! July 30, 2026

As we prepare for our time in Stoughton:

- If you are flying in and need to be picked up, please contact Darlene with details as we do have some Mandt members who volunteered to make airport runs!
- Please take time to read, study, and then bring along your copy of the 2026 Report's Book. If your lodge has any delegate changes from the time of this mailing, please make sure the delegate coming to Indy has this book!
- This year has been challenging with many delegate changes, hard to fill committee lists, and the nominating committee still has a number of spots to fill for board positions and alternate positions.
- Changes in Reports Book and agenda! There are always changes! I will send out an updated agenda early next week and will have paper copies available of any important documents. We also will be projecting the information on screens.
- If you have changes in delegates, please let me know ASAP (arnesonfamily5@gmail.com) Any materials sent to the original delegate should have been passed along to the alternate- i.e. the Reports Book!
- Keep in mind that we will be electing District Board Members and alternates at this district lodge meeting. Please consider this opportunity, review your benefit member status, and talk to your spouse BEFORE coming to the convention!
- The attire is business casual/business for most events. As leaders of your lodge and as we are in the public's eye, our attire should reflect our roles in the District. The banquet is formal- business/formal, bunads, black tie, Norsk sweaters. We know it's a short time between the 4 PM close of the business session and the 5 PM social time at the VFW (eat at 6 PM)- so you do have a little wiggle room!
- If you have a camera, take pictures! We hope you will share your pictures on the District 5 Facebook page. Casual photos are always great so please don't be camera shy! Please use the hashtag- **#SND5Stoughton2026**
- If you have stamps, bring them along! You can give them to our contacts who will deliver items to the Sisters of St. Mary's College.
- Please check with your lodge to see if you are to bring along the lodge banner, newsletter display board, silent auction items, or other things!
- The room is air conditioned and sometimes they have the room cooler when there are lots of people. You may want to bring along a sweater.

To help answer questions your delegates (or lodge leadership) may have!

Foundation Fundraisers at the District 5 Lodge Meeting & Convention!

First, what are the two Sons of Norway Foundations we have and how do they differ?

The **Sons of Norway Foundation** (International) is dedicated to funding activities that preserve and promote Norwegian heritage, positively affect members and make Sons of Norway communities a more vibrant place to live. Be it through a student's scholarship for study, a cultural exchange experience, or assisting lodges to provide quality programs and community events – the Sons of Norway Foundation is true to its mission. Established in 1966, our focus and offerings have grown to include several categories of scholarships and four categories of grants.

Sons of Norway Fifth District Nordic Legacy Foundation, Inc.

The purpose of this District 5 Foundation is to support youth, heritage, culture, and education through presentations, programs, and foundation grants. The Foundation is a 501(c) (3) and donations given are tax deductible (minus any costs/services received) for the donation. We welcome donations given to help support District 5 activities such as Masse Moro, District Scholarships, Barnebirkie, Adult Camp, Project Grants, and other activities and programs that may come forth. The Sons of Norway Fifth District Nordic Legacy Foundation, Inc. is a 501(c) (3) and donations given are tax deductible (minus any costs/services received) for the donation.

Thank you for supporting the various fundraisers that will occur during the District 5 Lodge Meeting and Convention. Lodges might consider giving their delegates a “fundraising stipend” to use at these events and please note the request to send a check for the “60 for 60 Convention Challenge”!

- **District's Silent Auction**- always a favorite and the items will be at the Stoughton Area School District (SASD) meeting room where the business session will be held. Due to space limitations in the registration area, we'll ask that delegates bring the items to that area between 8-9:30 AM on Wednesday. The silent auction starts early Wednesday and will end at Thursday at 10:30 (end of coffee break) so you can pick up items during lunch. Thank you so much for bringing items to the convention and for bidding on them! What can your lodge, delegates or businesses donate? We ask that you send items that are easy to transport, new items, nothing that requires refrigeration, vintage items that are clean and in good condition. Favorites are cultural items (rosemaling, pewter, carvings, textiles), gift cards, theme baskets, vintage SN items, beverage baskets, and items from your area. Be creative and have some fun with these!
- **District's Heads n Tails** fundraiser during the Foundation Fun Night on Tuesday at Sons of Norway-Mandt Lodge. This is a fun, inter-active optional fundraiser that benefits the SN District 5 Masse Moro. Entry fees are \$5 per person that wants to participate.
- **Foundation Fun Night** on Tuesday at Sons of Norway- Mandt Lodge- we are raising money for the SN Foundation as well as the SN D5 Nordic Legacy Foundation. We will have bingo (suggested donation to play), some fun games and activities, and the Heads n Tails that night!

The 60 FOR 60 Convention Challenge- This year, we mark the 60th Anniversary of the Sons of Norway Foundation. The Foundation awarded 60 grants in 2026, supporting cultural programs, community initiatives, and outreach that benefits students, families, lodges, and individuals in

need. At the same time, scholarship activity continues to grow, with increasing numbers of applicants and awards supporting both domestic and international study. Scholarship recipients have been notified, each one representing an investment in the future of our communities and our shared heritage. More members now see how every dollar becomes opportunity, whether through education, cultural preservation, or direct community support. Engagement is rising, applications are growing, and the impact is reaching further than ever before. To honor the Foundation's 60th Anniversary, we invite every District Five lodge to take part in a shared and visible show of support at the District Five Lodge Meeting & Convention.

Each lodge is encouraged to bring and donate \$60 to the Foundation in honor of 60 years of impact. Each lodge may wish to send their checks with their delegate(s) to the convention, and we will make the group presentations after SN Foundation's Amy Tuchenhausen's presentation during the Wednesday business meeting. With gratitude to every member, every lodge, and every leader who has contributed, thank you. Your support is changing lives and ensuring that the legacy of the Sons of Norway Foundation continues for generations to come. Checks can be made to: **Sons of Norway Foundation**. The Sons of Norway Foundation is a 501(c)(3) so donations are tax deductible.
